

# Meet the Team

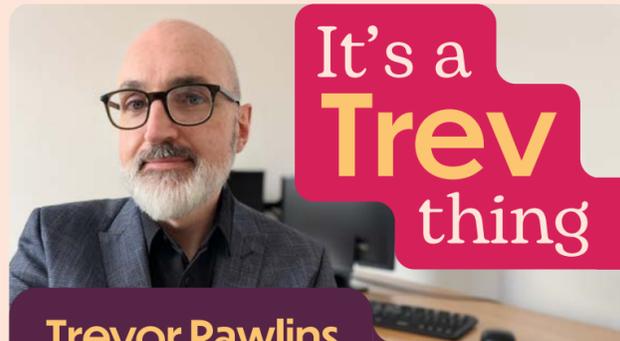

It's a  
**Ben**  
thing

**Ben Hanning**  
CEO, VetThing

I believe in building for long-term strength instead of short-term scale. I'm excited to be surrounded by fellow vets that feel the same way.

It's a  
**Trev**  
thing

**Trevor Rawlins**  
Partnership & Integration Manager

I passionately want people to feel truly included and respected as we build together to become the country's strongest veterinary community.

It's an  
**Alex**  
thing

**Alex Ardley-Ingram**  
M&A Manager

I believe people and culture should always come first in business. We're looking for great people and great practices. And we want to be a great partner to them.

**Chris**  
thing

**Chris Lekkas**  
M&A Manager

I'm excited to be empowering owners and supporting the growth of their local practices, without compromising the culture they've worked hard to build.

It's a  
**Darran**  
thing

**Darran Jennings**  
Veterinary Advisor

I'm excited to play my part in inspiring and empowering great practices. It's important to me that we support those at the heart of our profession.
